

Get That Extra 20% In High Performance Team Work. Announcing DNA's Team Dynamics "Lunch N Learn".

Do you know what's driving your team's performance? What are the core behaviours that result in your team's achievements and results – be they excellent or poor?

Let us meet your team for just 2 hours over lunch (before lunch or a working breakfast), and we'll help you and them to understand:

- **What dynamics are holding them back**, resulting in their current team challenges
- What are their **team strengths & limitations** in layman's terms
- How **can they work together as a team** more consistently
- Why will **conflict** arise now or as the team develops
- The **root causes** of some of the most pressing challenges they face

We Can Help Your Team(s).

We know we can help your team(s) with these challenges through our **DNA Team Dynamics Lunch 'n Learn**. This process is used around the world and has literally helped hundreds of teams across industries to understand their team strengths, their limitations and what to do to tap more into the strengths & address the limitations.

Let us help you so that the only conflicts in your teams are only those of innovation & problem resolution.

What Is Involved In DNA's Team Lunch 'N Learn?

Stage 1. You give us some background information on your team by phone.

Stage 2. We profile the people on your team online. It takes just 15 minutes for each team member to take a simple assessment.

Stage 3. We collate your team reports and facilitate at the Lunch 'N Learn at your offices for 2 hours, offering valuable insights into your own team, their strengths & limitations, what they as a group value most and on the important things that you need to be aware of in building the performance and sustaining morale in your team.

The **Team Culture report** that you receive presents you with some very important information including:

- Your **Teams Group & Individual member strengths**
- Awareness of the valuable **contributions of each team member**.
- An introduction to **the 'culture' of your team** and where clashes may exist among team members.
- Helpful tips on avoiding personality conflicts to ensure conflict is about innovation, problem solving and effective execution.

Run A Low Cost DNA Team “Diagnosis” Lunch ‘N Learn In April.

We know this works and will be an added-energiser for your team(s) for the hard task ahead.

We'll demonstrate the DNA team dynamics process for you, so that you can use it yourself in the future. This is an added value extra. You get access to using these techniques yourself in your other teams and with other people in your business.

We'll help you to do more with less. You can save money through having a more productive collaborative team. We want to help your team develop a sense of purpose and to sustain morale in your teams.
